

Family Owned and Operated since 1996

Come join the food, fun and family excitement!

For more than 30 years, Brad Aplin, a third generation commercial fisherman, traveled the Texas, Louisiana, and Florida coasts to catch the freshest shrimp, oysters, and blue crabs he could find. In 1996, he and his wife Ping decided to bring their knowledge of fresh seafood to the retail market and opened their first restaurant, BlueWater Seafood of Champions, in Houston, TX. Today, much of our seafood comes from the same fishermen our family has worked with for over twenty years. At BlueWater Seafood, we demand the freshest seafood to ensure that our customers receive the best seafood in town.
