# BLUEWATER SEAFOOD

CHAMPIONS LOCATION

## FROM HUMBLE BEGINNINGS

BlueWater Seafood began in 1996 when Brad and Ping Aplin opened the doors to their very first restaurant. Their dream was simple: to share the freshest Gulf seafood with their community, served with the warmth and hospitality of family.

Brad, a third-generation commercial fisherman, grew up on the water. From oystering and shrimping to crabbing, he's done it all. With years of experience and strong ties to local family fishermen, Brad knows how to find the very best catch and how to keep it fresh.

Ping shares that same passion for food, friends, and family. Together, they built BlueWater Seafood on a foundation of hard work, love, and a promise that has never changed: "If our seafood was any fresher, it would still be swimming!"

Nearly three decades later, that promise lives on. Every plate served at BlueWater is a reflection of Brad and Ping's commitment to quality, freshness, and genuine hospitality. When you dine with us, you're not just enjoying a meal—you're becoming part of the BlueWater family.
